This cookie template is true to size (3.5 inches in diameter). Please use the guide below to help with your cookie design!

**Bleed size: 3.5" diameter**

Size your image file to the bleed size to ensure your background extends to the edge of the cookie.

**Safe zone: 3.25" diameter**

Anything extending outside this area risks being misprinted.

Customer's notes:

**Terms of Service:** The design will be printed based on the placement shown on this template. Slight variation of the placement and color can occur when printing with edible ink. This is not considered a defect.

Scoops does not check any submission for spelling, grammar, or any other errors. The design will be printed as it appears during the approval step. It is your responsibility to ensure that all materials submitted for printing are formatted correctly.

A final proof will be sent to you and you will be able to make 1 free edit. If you require more edits (up to 3 total), an additional \$25 will automatically be applied to the total amount of your order. Some edit restrictions may apply.

I have read and fully understand the above Terms of Service. (check box)
